

## Welcome To Our Family

'We believe passionately that loyalty should be recognized and rewarded.'

Ananda Members Club was founded in Thailand in 2009 with the clear goal of achieving this and we are very proud of how this initiative has grown, and allowed us to be so successful. We are excited to expand this program to our International buyers and I would personally like to welcome you to the Ananda family and hope you can share in our continued success.'

## Ananda Development PCL

Ananda Development was founded in 1999 by Chanond Ruangkritya, with a focused goal in becoming the leading developer of residential projects in close proximity to mass transit stations in Bangkok. As of the first quarter of 2015, we have now become the number one condominium developer in Thailand. This has been achieved by continuing to develop our understanding of the requirements of our residents, pushing the boundaries of unique Urban Living Solutions and building long lasting relationships with our customers.
